

the Hebron High School Band

Who we are . . .

We are YOU!! We are 200 close friends of different sizes, shapes, and colors. We are boys, we are girls. We have various beliefs and take a regiment of classes throughout the day.

We are academicians, athletes, future politicians, doctors, lawyers, teachers, and architects.

We are college-bound and serious about being good at what we do.

We are looking for a place to "fit in" and to have fun.

We are determination, we are commitment, we are character, we are intensity, we are power, we are drive, we are grit, and we are art.

And most importantly as you enter the halls of high school for the very first time...

...we are the most impressive army of support you could ever count on to help you make it.

What we've done . . .

Where we go . . .

Each year, the band travels to perform at some of the best places.

The band has traveled to Walt Disney World in Orlando, Florida and Washington, D.C.

This spring, the band will travel to Chicago, Illinois.

In the fall, the band performs at various marching contests including the *Bands of America Super Regional* in San Antonio, Texas. While there, we enjoy some leisure time with friends on the famed River Walk.

What we have to say about it . . .

"The announcer had offered this amazing opportunity to thirteen bands, and only one remained. A wave of tension swarmed across the minds of the uncalled participants. We clenched the arms of the people around us, as if we all had one, loud, rushing heartbeat. We squeezed our eyes shut, knowing that the next time they were opened, tears of either joy or despair would emerge.

It felt as if the procrastination would never end, and with each moment, the excitement grew. Finally, after what seemed like hours, he declared, "The last band in the finals of the San Antonio Bands of America Super Regional Contest is...

"THE HEBRON HIGH SCHOOL MARCHING BAND FROM CARROLLTON, TEXAS!"

Suddenly we all jumped out of our seats. The next fifteen minutes or so were full of screaming and laughing and smiling and crying and hugging and every form of pure elation.

Was it worth it?
YES!"

Did you know?

The Hebron Band is one of the most academically successful extra-curricular activities on campus.

- 100% of band seniors attend college
- Valedictorian AND Salutatorian of 2005 were in band.
- Multiple members of the top 10 in each graduating class EVERY YEAR since Hebron opened.

Athletes

Can you be in both band and athletics?
YES!!

Those who say it can't be done have simply never tried or are unwilling to be flexible enough on your behalf to make it work.

The band is flexible – all it takes is some advanced planning and communication.
